Forward-Looking Statements

This press release contains forward-looking information and statements. Forward-looking statements give the Company’s current expectations and projections relating to its financial condition, results of operations, plans, objectives, future performance and business. You can identify forward-looking statements by the fact that they do not relate strictly to historical or current facts. These statements may include words such as “anticipate,” “estimate,” “expect,” “project,” “plan,” “intend,” “believe,” “confident,” “may,” “should,” “can have,” “likely,” “future” and other words and terms of similar meaning in connection with any discussion of the timing or nature of future operating or financial performance or other events. Forward-looking statements are not guarantees of performance or results, and involve known and unknown risks, uncertainties (some of which are beyond the Company’s control), assumptions and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Should one or more of these risks or uncertainties materialize, the Company’s actual results may vary in material respects from those projected in any forward-looking statements. A detailed discussion of these and other factors that may affect future results is contained in our filings with the U.S. Securities and Exchange Commission. Any forward-looking statement made by the Company in this press release speaks only as of the date on which it is made. The Company undertakes no obligation to update any forward-looking statement, whether as a result of new information, future developments or otherwise, except as may be required by law.
